

Professional Learning and Leading Collaborative

Empowering educators* to improve education for every learner

We foster innovative and inclusive practices that permeate educational systems where learners and educators (*teachers, ITFs, administrators, media coordinators, coaches and ed leaders), thrive, excel, and inspire.

Capacity Building

We orchestrate professional learning through personalized professional development, customized through collaborative partnerships and planning, building on our partner strengths.

Sustainability

We create and support systems to sustain impactful projects and program longevity, fostering innovation and collaboration to drive positive change.

Scalability

We support coherent strategies that establish clear directions and priorities, emphasizing scalability to empower educators in seamlessly expanding their impact and embracing a multitude of opportunities within the realm of education.

When I started working with the PLLC, I was doing it because I hoped to support an overall improvement in my school - but now I see that they have given me the potential for so much more."

- Administrator

The PLLC helped us to be able to prioritize what and where we would like to scale our initiatives and grow all our stakeholders - especially our students."

- Administrator

Our team of educational professionals and instructional designers and coaches know that dedicated and well-prepared teachers and leaders are key to the success of any initiative. We engage. We build capacity. We design with the learner in mind.
