Empowering Learner Agency

Transformative Learning Opportunities to Equip Educators for Learner Agency

Learner agency is unique to every student and context. Fostering learner agency in every student ensures that all students have access to meaningful learning experiences that honor their identities, voices, and aspirations and promote equity and inclusion. Join our growing learning community in three newly revised free modules on Learner Agency.

Foundations of Learner Agency

Explore the fundamental classroom conditions that foster and grow learner agency and voice. Gain insights and explore real classroom examples of learner agency at work.

Learner Agency in Practice

The complementary application module to Foundations of Learner Agency, Learner Agency in Practice lets participants dive deep into practical applications and gain feedback from students on ways to better support their voice and share power in your classroom.

Leading with Purpose: Learner Agency for Marginalized Students

Specifically designed for school leadership, this complementary module is aligned with the teacher training and allows for role-specific insight and targeted support for agency amongst historically marginalized groups.

> "
> I found the material very stimulating and thought provoking. The resources are rich and leave you with the opportunity to expand upon additional knowledge.
>
> - Module Participant

> "
> This was a topic I did not have a clear picture of before I started. I have learned several strategies that I am excited about implementing in my own classroom.
>
> - Module Participant

Our team of educational professionals and instructional designers and coaches know that dedicated and well-prepared teachers and leaders are key to the success of any initiative.
We engage. We build capacity. We design with the learner in mind.
