

# Professional Development and Strategic Planning

Empowering educators\* to improve education for every learner

## Cultivating Educators

Customized and tailored to fit your critical needs, we combine face-to-face and virtual opportunities to empower educators (\*teachers, ITFs, administrators, and ed leaders) through innovative approaches, strategic planning, and personalized teaching to support the success of students at all levels.

### Alternative Pathway and Beginning Teacher Support

Novice teachers need expert support. We strengthen the foundations needed to develop the necessary skills and knowledge for long-term success.

### Equity-mindedness

Every student deserves powerful learning experiences that unlock their potential for success. We empower schools to create tailored solutions for individual students.

### Digital-Age Teaching & Learning

We support long-term, coherent strategies that establish clear directions and priorities, enabling educators to embrace the opportunities that digital-age teaching and learning afford them.

All teachers can benefit from these trainings. I'm a first-year teacher and these trainings made a difference in my classroom right away! I like how you shared and listened.

- Beginning Teacher

The Friday Institute helped us to be able to prioritize what we would like to do moving forward to grow our grant initiatives and grow all our stakeholders - especially students."

- Administrator, Cohort Participant

Our team of educational professionals and instructional designers and coaches know that dedicated and well-prepared teachers and leaders are key to the success of any initiative. We engage. We build capacity. We design with the learner in mind.
